Dear Students and Parents,

I welcome you to Arvida Middle School and to another successful school year. As a Magnet Schools of America, National Award of Excellence Winner, we are committed to our students and parents for academic excellence, developmental responsiveness, and social equity. Our school leadership team has developed a school-wide Honor Code with a testament of Viking Pride as our guiding vision for the values of Honesty, Integrity, and Responsibility in all that we say, write, and do every day. Along with your partnership, we will further advance our school of excellence for the development of all Viking students.

I have three core beliefs about middle grades education:

- Student development and achievement is our primary purpose, and we must be accountable for all students’ learning and growth at high levels.

- Parent engagement supports and maintains the educational process while setting a personal and character development standard for students.

- The teaching and learning environment is the pathway to establish positive school experiences and to motivate students to dream big and work hard.

These beliefs guide my educational decisions and help me set a foundation on which to develop school improvement goals. Combined with good communication, I have found these beliefs to be of value in supporting a child-centered learning environment. I welcome all ideas, suggestions, and opportunities to enhance the educational environment and culture in our school.

It is a privilege to be your principal at Arvida Middle School. I humbly ask you to get involved and support our PTSA efforts. I look forward to a great school year.

Sincerely,

Angela Holbrook, Principal
Message from the Assistant Principal

School Mission Statement

We are committed to provide educational excellence for all.

Alma Mater

Arvida Middle School exemplifies a progressive commitment to recapturing traditional excellence and incorporating innovative approaches into the educational process. We believe in meeting the students where they are and assisting them in reaching their potential while encouraging them to reach for higher goals.
Arthur Vining Davis
Founder

Arvida Middle School was founded by Arthur Vining Davis (May 30, 1867 – November 17, 1962), American industrialist and philanthropist. He was born in Sharon, Massachusetts, the son of Perley B. Davis, a Congregational minister, and Mary Frances. After attending school in Hyde Park, Massachusetts, and the Roxbury Latin School in Boston, Davis entered Amherst College, graduating in 1888. As a result of his father's friendship with a former parishioner, Alfred E. Hunt, founder of the Pittsburgh Reduction Company that made aluminum, Davis obtained a job with that company. Although aluminum's favorable characteristics as an industrial metal had been known for several decades, it was expensive to manufacture. Hunt's company hoped to capitalize on Charles Martin Hall's experiments to produce the metal at low cost. Davis thus joined a firm that was adventurous. The work required a handyman's disposition—overalls and a twelve-hour day—for the manufacturing process was a continuous one. Davis and Hall became close associates during the experimental phase, and on Thanksgiving Day of 1888 they poured the first commercial aluminum.

Davis married Florence Holmes in 1896. She died in 1908. In March 1912 he married Elizabeth Hawkins Weiman, who died in 1933. He had no children. Before retiring from Alcoa, Davis began a second career by investing primarily in The Bahamas and Florida. The investments included extensive real estate holdings in the Miami area (estimated at one-eighth of the county) and on Cuba's Isle of Pines. He also had ownership or control of some thirty Florida enterprises ranging from dairy farms to resort hotels. The rapid acquisition and size of the investments resulted in considerable publicity and additional controversy with the government, including the Securities and Exchange Commission.

Davis died in Miami, leaving an estate of $400 million. Only a small portion of his wealth went to individuals. The majority went to a trust he had established in 1952 and to Arvida (from Arthur Vining Davis), a northern Quebec model town he had founded in 1927 for working families. The Arthur Vining Davis Foundations provide financial assistance to educational, religious, cultural, and scientific institutions, and are a regular PBS donor.

**Attendance, Early Sign-Outs, and Tardies**

**School Attendance:** Students are to be counted in attendance only if they are physically present for at least two hours of the school day or engaged in a school-approved educational activity which constitutes a part of the instructional program for the student.

**Class Attendance:** Students are to be counted in attendance if they are physically present in class for at least half of the class period, have been excused by the teacher on a class-related assignment, or have been requested by a member of the school support staff for an approved school activity.

**Early Sign-outs:** No student shall be released within the final thirty (30) minutes of the school day (3:20 p.m. on a regular bell day / 12:50 p.m. on an Early Release Day). After the 4th Early Sign-Out from school, medical documentation and/or parent conference will be required to excuse the absence.
MIAMI-DADE COUNTY PUBLIC SCHOOL
DISTRICT’S UNIVERSAL PARENT/STUDENT HANDBOOK

Tardies: In order to receive an excused tardy, students must report to the main office with a parent. Excessive tardies from school will require medical documentation and/or parent conference with an administrator to excuse the tardy/absence.

Excused Absences, Tardies, and Early Sign-Outs
- Student illness: Students missing 5 or more consecutive days of school due to illness or injury are required to provide a written statement from a health care provider. The written statement must include all days the student has been absent from school as well as the reason for the absences. If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider to receive excused absences from school.
- Medical appointment: if a student is absent or signed out early from school due to a medical appointment, a written statement from a health care provider indicating the date and time of the appointment, must be submitted to the principal.
- Death in the family
- Observance of a religious holiday or service when it is mandated for all members of a faith that such a holiday or service must be observed.
- School-sponsored event.
- Subpoena by law enforcement agency or mandatory court appearance.
- Outdoor suspensions

Admits
Students have 72 hours upon their return to school to receive an admit. If the admit is NOT processed within 72 hours, the absence will be marked unsatisfactory.

Unexcused School Absence
Any absence that does not fall into one of the above excused absence categories is to be considered unexcused, including early sign-outs. Any student who has been absent, or early sign-outs, from school will be marked unexcused absent until he/she submits required documentation as specified above. Failure to provide required documentation within three school days upon the return to school will result in an unexcused absence. Unexcused absences and/or early sign-outs include:
- Absences and/or early sign-outs due to vacations, personal services, local non-school event, program or sporting activity.
- Absences and/or early sign-outs due to elder students providing day care services for siblings or other family members
- Absences and/or early sign-outs due to illness of others
- Absences and/or early sign-outs due to non-compliance with immunization requirements (unless lawfully exempted).
Makeup Work
Students who miss school work because of an excused absence shall be given the opportunity to complete all assignments and tests that can be reasonably provided. The student shall make arrangements with teachers for make-up work. As determined by the teacher, the assignments and tests shall be reasonably equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within a reasonable period of time.

Students suspended from school shall be given assignments to complete. The teacher of any class from which a student is suspended may require the student to complete tests missed during the suspension.

- Early Sign-Out
  The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final thirty (30) minutes of the school day unless authorized by the Principal or Principal’s designee (i.e., emergency, sickness).

- Late Arrival
  Students who are tardy to school must report to the Attendance Office with a parent to secure an admit. Excessive tardies may result in loss of privileges, detention, parent conference, and/or suspension.

- Lost and Found School Policy
  All lost and found items will be held in the main office for the remainder of the school year.

- Opening and Closing Hours of Schools
  Bell rings at 9:05 a.m. Tardy bell rings at 9:10 a.m. Dismissal bell rings at 3:50 p.m.

- Replacement ID Badges
  Students will receive a student ID badge and a lanyard. In the event a student needs a replacement ID badge, the cost is $2. The cost of a replacement lanyard is also $2

The information presented in this document is derived from requirements set forth by Florida Statues, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

**YMCA Before/After School Care Program & Middle School Enrichment After School Program**
For those parents considering going back to work and/or are presently working, there are 224 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 62 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 286 After School programs on school days. Before-school care programs will be provided as needed.

After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.
The cost of Elementary and K-8 after school care is $40 per week; the cost of Middle School Enrichment after school care is $40 per week; the cost of before school care is $20 per week and the cost of Summer Camp is $100.00 per week. These programs are offered by one of seven providers:

- Miami-Dade County Public Schools Principal Operated Before After-School Programs
- Young Men's Christian Association (YMCA)
- Young Women's Christian Association (YWCA)
- Family Christian Association of America (FCAA)
- Sunshine After-School Child Care (SASCC)
- South Florida After-School All Stars (SFASAS)

**Interscholastic Athletics/Intramurals**

The Division of Athletics, Activities and Accreditation works with M-DCPS school sites to provide students with opportunities to participate in athletics at various levels. Athletic programs are offered at K-8 Centers, middle schools and high schools. At the middle schools, athletics consists of intramural and interscholastic programs. At the high school level, interscholastic programs are offered at most senior high schools.

For participation in interscholastic athletics at the middle school level, a student must have a 2.00 GPA in conduct and academics to participate. His or her parent must sign the M-DCPS *Middle School Athletic Program Consent and Release from Liability Certificate*. For participation in interscholastic athletics at the high school level, a GPA of 2.00 in conduct and academics is required except for incoming freshmen. All participants must purchase athletic and/or football insurance to participate and must have a current physical form on file.
Students with an academic grade or “D” or “F” will not be allowed to participate in the extracurricular activity unless student and parent have spoken with administration and are actively working to improve the grade. Student must be present the day of the extracurricular activity in order to participate.

A home education student must register his or her intent to participate in interscholastic extracurricular activities as a representative of the school before participation.

The parents and student must also sign the Contract for Student Participation in Interscholastic Competitions or Performances. Safety and Security

- **Emergency Operations Plan**

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills/active shooter drills, the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System
• **Fire Drills**
Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

• **Lockdown Procedures**
Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

• **Threat Assessments**
Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a Threat Assessment Team (TAT) shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

• **Visitors**
Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

**School Activities/Clubs**
All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

**School Center for Special Instructions (SCSI)**

School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an alternative to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class results in an assignment to SCSI, the student should be removed from only the class in which the misconduct occurred. Continued misconduct can result in the removal from all classes.

**School Class Picture Process**

The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer’s staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

**School Transportation**

Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for students with special needs in some instances.
Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children’s bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

**Special Education/Section 504**

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state’s eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at http://ese.dadeschools.net/.

**Student Records**

The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.
Student Services
The Division of Student Services provides prevention and intervention services to PK-Adult students throughout the District. These services focus on the elimination of social and emotional barriers that inhibit students’ academic success and prepare students to be college and career ready. An integrated team of uniquely trained student services professionals deliver these direct services to students.

Student Success Centers
The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

The Parent Academy
Miami-Dade County Public Schools created The Parent Academy to bridge the gap between home and school by connecting parents to valuable resources and information, which answers questions on topics that impact children’s lives, including helping children learn, parenting skills, financial management, and health and wellness.

The Parent Academy supports parents in becoming more involved in their children’s education and empowers them to set and achieve personal empowerment goals for higher education and career advancement by providing free, year-round workshops, classes and events at schools, libraries, parks, colleges, private businesses and neighborhood centers across the county.

Parents can participate in workshops and classes that are aligned to their needs and convenient to their homes and workplaces. Upcoming events and workshop offerings are listed on The Parent Academy website at parentacademymiami.com. For additional information, please call The Parent Academy at 305-995-2680 or The Department of Family Support Services at 305-271-8257.

Transgender and Gender Non-Conforming Students
The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to
